ASSOCIATES

PAST:

- That previous associates would be persevering in their faith in the Lord Jesus. (You might like to pray by name for the ministries of former associates you know)
- That they would continue to be confident that the word of God's grace is able to build up God's people and give them an inheritance amongst those who are sanctified
- For the associate reunion 5-6 March, with William teaching on 1 Thessalonians and Gwilym teaching on training men and women in the ministry of God's word

PRESENT:

- That through their time with us, present associates grow in their love for the Lord Jesus, and that they are equipped to serve his people
- That studies in Philippians and Malachi (first years) and Isaiah (second years) would be training the associates to listen to Jesus' word that they might better speak for him
- For wisdom as first years decide whether to stay for a second year, and as second years make plans for the future. (You might like to pray by name for any associates you know)

FUTURE:

- That we might continue to be useful as a place where workers are trained for the harvest field
- For applications for this coming September
- For those who are currently considering whether they should apply: for wisdom, courage, and love

INTERNATIONAL: Ruth Gaved

Give thanks:

- Give thanks that I was able to complete my research project, and for the opportunity to present my findings to some community members. Give thanks that they were receptive to my suggested changes to the spelling system, and pray that these would be implemented soon.
- Give thanks that the New Testament is available in Moba. Pray that many in the community would be engaging with the Moba Scriptures that have already been published, and would be looking forward to having the full Bible in their language soon.

Please pray for:

- A good transition back to Moorlands College, and that the things I learn would be helpful in preparing me for future roles.
- Wisdom in deciding where to go next.
- That the Lord would raise up new people to be financial partners in this work.
